Lopez questioned the Board as to who is responsible for the property pins along the road right of way. One of his corner pins abutting the road right of way has been pulled out and wanted to get it replaced. Consensus of the Board was that they could make a copy of the survey they had on record but official setting of the pin should be done by a surveyor and should be done at the expense of who is wishing to have it replaced.

Stabnow gave an update on the progress of the work done to Uf Da Vista Road. The scope of the project was beyond what they could have imagined. The areas caving in were dug out, refilled and repacked. In the spring, the road will have to be reshaped and regraded and monitored.

The Clerk, Treasurer and 2 election judges will be going to Fergus Falls on 11/19/14 to participate in the post election review process. Hobart was selected to be audited this year.

Since there was no further business to come before the Board, Hockett adjourned the meeting.

Respectfully submitted,

Debi Moltzan,  
Clerk
